Your Complete Business Accounting Solution

COMPANY OVERVIEW

ABOUT US

We believe that all small businesses should have someone to help them with their financial records and that they should be able to do it properly. At Auditors we are dedicated to providing you with quality service so you can be sure that your business is being handled correctly and professionally.

- We are highly flexible
- We offer affordable solutions
- We are transparent and innovative

WHY CHOOSE US

We at Ain Auditors provide a variety of services to our clients and we will strive to meet all of your needs. Whether you're looking for a simple accounting solution or a complete turnkey solution; we can accommodate you.

MISSION

To exceed expectations by delivering exceptional customer service and innovative tax solutions that save our clients time, money, and headaches.

VISION

To be the premier, trusted name in tax solutions for individuals and businesses in the Middle East.

INTRODUCTION TO OUR SERVICES

Audit & Assurance: We will examine your books and report our findings, along with any suggestions on how to improve your Business's performance.

Bookkeeping: We offer a wide variety of bookkeeping services including general ledger, account payable, account receivable, fixed assets, etc.

Tax Services: We can prepare and file your taxes for you, as well as advise you on all the rules and regulations that apply to your business.

VAT Consulting

Our VAT consulting service helps businesses comply with the VAT rules and regulations. The consultation will involve reviewing your books to identify areas where you may be liable for VAT, and will also include advice on how to register for VAT, the paperwork involved, etc.

Company Formation

We can assist you with the entire process of starting a new company in UAE. From forming the company, to preparing and filing the documents, to setting up your accounting software, we will take care of everything.

Translation Services

We help companies translate their documents from one language to another. Our qualified translators work closely with the client to ensure the finished document accurately conveys the message.

Customs & Excise: We will help with all your customs & excise requirements, such as filing the appropriate paperwork, applying for permits, etc.

ESR Filing: We can prepare and file your ESR Reports, as well as handle all of the paperwork and correspondence required by the law.

AML Registration: We can assist you with the registration process and compliance with Anti-Money Laundering Regulations (AML).

ERP Solution: We can help you find a suitable, affordable ERP solution, which will help improve the way your business operates.
